

March 13, 2010

Position: Associate Doctor of Chiropractic

Location: The Chiropractic Health & Wellness Center of Dayton  
2301 Far Hills Avenue Dayton, OH 45419

Availability: Immediate

**Practice Description:**

The chiropractic health & wellness center of Dayton is a Chiropractic practice redefining quality care in the Dayton, OH region. We are a patient centered office using the most up to date treatment techniques and methods. We strive to provide a high level of service and have the highest attention to detail. Our word of mouth practice is deeply rooted in the community - in business over 65 years. We bill very little workers compensation or personal injury and have less than 1% of billings under collections - therefore we get paid for what we do.

Treatment methods used in office are Graston, ART, Flexion/Distracton, Diversified, and soft tissue.

You can find out more about our office at [www.drprikkel.com](http://www.drprikkel.com)

**Job Description:**

By entering as an employee of this practice you will be expected to work hand in hand with our staff and work to grow your own patient base. You will be expected to do community outreach, to work 1 evening per week and Saturdays (if needed). You should understand rehabilitation thoroughly, treatment plans and patient care. You will have the opportunity for long term employment and a high level of job satisfaction. The majority of your patients will vary from mid 30's to the elderly. However, you may have opportunities to work with collegiate athletes, professional athletes and Olympians (Although this is not the primary focus of our office, it will continue to develop with time).

**Benefits:**

- Salary position - to be negotiated
- Health Insurance Paid at 70%
- Flexible vacation scheduling
- Malpractice coverage paid

**How to apply:**

Please send a CV and a copy of handwritten patient notes (deleting all patient names). This is asked to see how you examine patients and how you record your data.
